Cardiovascular Registered Nurse With 8 Years of Experience in Cardiac Patient Care

Dedicated cardiovascular RN with extensive experience in caring for patients with heart disease, post-cardiac surgery recovery, and advanced heart failure. Skilled in telemetry monitoring, medication administration, and patient education for lifestyle modifications. Passionate about improving patient outcomes through evidence-based cardiac care.

Key Skills

- Cardiac telemetry monitoring
- Post-operative cardiac care
- Medication and IV therapy administration
- ACLS
- Heart failure and hypertension management
- Patient education and lifestyle counseling

Professional Experience

● Cardiovascular Registered Nurse – Cardiac Step-Down Unit

Emory University Hospital, Atlanta, GA | October 2018 - Present

- Monitor and care for an average of 12 post-cardiac surgery patients per shift, managing chest tubes, pacemakers, and arterial lines
- Perform continuous cardiac telemetry monitoring, detecting and responding to arrhythmias, reducing adverse cardiac events by 20%
- Educate patients on heart-healthy lifestyle changes, improving medication adherence rates by 35%
- Assist in cardiac catheterization procedures, ensuring patient stability and seamless coordination with interventional cardiologists

● Registered Nurse – Cardiac Telemetry Unit

Piedmont Atlanta Hospital, Atlanta, GA | August 2015 - October 2018

- Provided direct care to patients with heart failure, arrhythmias, and post-myocardial infarction recovery
- Administered IV drips, anticoagulants, and beta-blockers while monitoring for potential side effects or complications
- Implemented a fall prevention program for high-risk cardiac patients, reducing fall incidents by 25%
- Trained new nurses on telemetry interpretation, improving team accuracy in identifying arrhythmias

Education

Bachelor of Science in Nursing (BSN)

Georgia State University, Atlanta, GA | May 2015

Certifications

- Advanced Cardiac Life Support (ACLS), American Heart Association | July 2015, renewed July 2023
- Basic Life Support (BLS), American Heart Association | May 2015, renewed May 2023
- Certified Cardiovascular Nurse (CVRN), American Board of Cardiovascular Medicine | September 2017
