Professional Experience

Special Education Teacher

Sunshine School District, Los Angeles, CA

August 2018 - Present

- Design and implement IEPs for students with autism, dyslexia, and learning disabilities, resulting in 80% goal achievement in behavioral and academic targets.
- Utilize a combination of visual, auditory, and kinesthetic teaching methods to support diverse learning styles.
- Collaborate with other teachers and support staff to create inclusive lesson plans and interventions.

Special Education Teacher

City View Academy, Los Angeles, CA

September 2016 - June 2018

- Implemented individualized teaching strategies that improved student test scores by 25% over two years.
- Worked with occupational and speech therapists to develop supportive strategies and classroom modifications.
- Regularly met with parents to review IEP progress and adjust strategies as needed to meet each child's needs.

A compassionate special education teacher with over 5 years of experience supporting students with disabilities. Skilled in creating individualized education programs (IEPs) and using various learning strategies to address students' unique academic needs, including behavior management and academic reinforcement.

Key Skills

- IEP development
- Differentiated instruction
- Behavior management
