A compassionate teacher assistant with a focus on providing one-on-one support for students in inclusive classroom environments. Skilled in adapting teaching methods to meet the needs of students with various learning styles, and committed to fostering an environment that encourages academic and personal growth.

Professional Experience

Teacher Assistant

Green Valley School, Phoenix, AZ

August 2021 - Present

- Assisted in teaching math and English to students in grades 4-6, providing tailored support for students struggling with core concepts.
- Worked with students in small groups and individually to improve reading comprehension, resulting in a 15% increase in test scores.
- Provided behavioral support for students, ensuring that they remained on task and adhered to classroom rules.

Teacher Assistant

Blue Ridge Academy, Phoenix, AZ

September 2019 - June 2021

- Supported classroom teachers by organizing materials, setting up lessons, and managing student behavior during group activities.
- Worked closely with students with special needs, offering extra guidance to help them succeed in their assignments.
- Assisted in evaluating student progress and helped with grading assignments.
